**RELIEF REQUESTED**

29. By this Application, Conway MacKenzie requests entry of the Proposed Order, substantially in the form attached hereto as Exhibit F, (a) granting interim allowance of (i) compensation for professional services rendered by Conway MacKenzie as Financial Advisor to the Committee during the Second Interim Period in the aggregate amount of \$1,144,788.50 and (ii) reimbursement of expenses incurred by Conway MacKenzie in connection with such services in the aggregate amount of \$6,096.25 and (b) authorizing and directing payment of all such amounts, less all amounts that the Debtors previously paid to Conway MacKenzie on account of

Conway MacKenzie's fees and expenses.

30. To date, Conway MacKenzie has been paid \$2,399,162.80 on an interim basis pursuant to the interim compensation procedures order. This amount represents (i) 100% of fees and expenses sought in the first interim application period and (ii) 80% of the fees and 100% of the expenses sought in the monthly fee statements for the period November 1, 2020 through December 31, 2020.

31. There is no agreement or understanding between Conway MacKenzie and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered on behalf of the Committee.

**REASONABLE AND NECESSARY EXPENSES OF CONWAY MACKENZIE**

32. In addition to the compensation earned by Conway MacKenzie during the Second Interim Period, Conway MacKenzie also incurred certain reasonable and necessary expenses during the Second Interim Period for which it is entitled to reimbursement under the Retention Order. Conway MacKenzie's total expenses for the Second Interim Period are \$6,096.25. Summaries of the expenses incurred during the Second Interim Period are set forth in greater detail on the attached Exhibit E.

**BASIS FOR RELIEF**

33. Section 328(a) of the Bankruptcy Code allows a professional to obtain prior court approval of the terms of its retention. See 11 U.S.C. § 328(a). Under section 328(a), a professional may avoid uncertainty by obtaining (i) advance court approval of compensation terms agreed to with the estate and (ii) a court's finding that such terms are "reasonable" in advance of the professional's providing related services. See *In re Nat'l Gypsum Co.*, 123 F.3d 861, 862-63 (5th Cir. 1997). Section 328(a) expressly contemplates court approval of hourly

fees. See 11 U.S.C. § 328(a) (“[A] committee appointed under section 1102 . . . with the court’s approval, may employ or authorize the employment of a professional person . . . on any reasonable terms and conditions of employment, including . . . on an hourly basis.”).

34. If a court has entered an order authorizing a professional’s employment that “expressly and unambiguously states specific terms and conditions (e.g., specific hourly rates or contingency fee arrangements) that are being approved pursuant to the second sentence of Section 328(a),” the court is constrained to apply only the “improvident” standard of section 328(a) in any later review of such professional’s requested compensation. *Zolfo, Cooper & Co. v. Sunbeam-Oster Co., Inc.*, 50 F.3d 253, 261 (3d Cir. 1995).

35. To render a previously approved fee arrangement “improvident” under the section 328(a) standard, a bankruptcy court must find that there have been “developments not capable of being anticipated at the time of the fixing of the terms and conditions” of the engagement. 11 U.S.C. § 328(a). It is not enough that developments in a case are simply unforeseen. *Daniels v. Barron (In re Barron)*, 225 F.3d 583, 585 (5th Cir. 2000).

36. Section 330 of the Bankruptcy Code, moreover, provides that a court may award a professional employed under section 1103 of the Bankruptcy Code “reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1).

37. Conway MacKenzie’s fees were earned under the terms of the Retention Application, as approved by the Retention Order. Accordingly, Conway MacKenzie submits that the fees and expenses requested herein should be awarded on an interim basis. There have been no circumstances in these cases which would give cause to question the terms of Conway MacKenzie’s engagement terms, which the Court approved under section 328(a) of the

Bankruptcy Code.

WHEREFORE, Conway MacKenzie requests entry of the Proposed Order, substantially in the form attached hereto as Exhibit F, (a) granting interim allowance of (i) compensation for professional services rendered by Conway MacKenzie as Financial Advisor to the Committee during the Second Interim Period in the aggregate amount of \$1,144,788.50, and (ii) reimbursement of expenses incurred by Conway MacKenzie in connection with such services in the aggregate amount of \$6,096.25 and (b) authorizing and directing payment of all such amounts, less all amounts that the Debtors previously paid to Conway MacKenzie on account of Conway MacKenzie's fees and expenses.

TO THE HONORABLE MARVIN ISGUR, UNITED STATES BANKRUPTCY JUDGE:

The Official Committee of Unsecured Creditors (the “Committee”) of the above-captioned debtors in possession (collectively, the “Debtors”) hereby applies to the Court (this “Application”) pursuant to sections 328(a), 330, and 1103(a) of title 11 of the U.S. Code (the “Bankruptcy Code”), Federal Rules of Bankruptcy Procedure 2014(a) and 2016 (“the “Bankruptcy Rules”), and Rules 2014-1 and 2016-1 of the Local Bankruptcy Rules of the U.S. Bankruptcy Court for the Southern District of Texas (the “Local Rules”) for the entry of an order, in substantially the form as attached as Exhibit A (the “Proposed Order”), (i) authorizing them to retain and employ Conway MacKenzie, LLC, together with its agents and independent contractors (collectively “Conway MacKenzie”), as financial advisor to the Committee in the Debtors’ chapter 11 cases, effective as of August 20, 2020; and (ii) granting certain related relief. In support of the Application, the Committee submits the declaration of John T. Young, Jr. (the “Young Declaration”), attached hereto as Exhibit B and incorporated herein by reference. In support of the Application, the Committee respectfully represents as follows:

**Jurisdiction and Venue**

1. This Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334. Venue lies properly in this Court pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).
2. The relief sought with this Application is based upon Sections 328(a), 330, and 1103(a) of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules.

### **Statement of Facts**

3. Commencing on August 3, 2020 (the “Petition Date”), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (the “Court”), thereby commencing these chapter 11 cases (the “Cases”). The Debtors continue in possession of their property and are operating and managing their business as debtors in possession pursuant to the provisions of 11 U.S.C. §§ 1107(a) and 1108. No trustee or examiner has been appointed in the Debtors’ Cases.

4. On August 18, 2020, the Office of the United States Trustee appointed the Committee pursuant to section 1102 of the Bankruptcy Code. The Committee consists of the following five (5) members: (i) Oceaneering International, Inc.; (ii) Subsea 7 US LLC; (iii) Halliburton Energy Services, Inc.; (iv) TETRA Technologies, Inc.; and (v) Workstrings International, L.L.C.

### **Relief Requested**

5. By this Application, the Committee respectfully requests that the Court enter an order, substantially in the form annexed hereto as Exhibit A, pursuant to sections 328(a), 330, and 1103(a) of the Bankruptcy Code, Bankruptcy Rule, and Local Rules, authorizing the Committee to employ and retain Conway MacKenzie as its financial advisor in the Cases in accordance with the terms and conditions set forth in this Application. The Committee has selected Conway MacKenzie in furtherance of the efficient administration of the estates on behalf of the Committee. The Committee seeks to retain Conway MacKenzie effective as of August 20, 2020 because Conway MacKenzie began providing services to the Committee as of such date. The Committee

believes that such retention is appropriate in these Cases because the Committee required Conway MacKenzie's assistance prior to such time as a retention application could be submitted to the Court due to the exigencies of these Cases, and Conway MacKenzie has been providing services to the Committee since August 20, 2020.

### **Services to Be Provided**

6. Subject to further Order of this Court, Conway MacKenzie is expected to render, among other services, the following services to the Committee:

- a. Assistance in the analysis, review and monitoring of the restructuring process, including, but not limited to an assessment of potential recoveries for general unsecured creditors;
- b. Assistance in the assessment and monitoring of any sales process conducted on behalf of the Debtors and analysis of proposed consideration;
- c. Assistance in the review of financial information prepared by the Debtors, including, but not limited to, cash flow projections and budgets, business plans, cash receipts and disbursement analysis, asset and liability analysis, and the economic analysis of proposed transactions for which Court approval is sought;
- d. Assistance in the review of the Debtors' prepetition financing structure, including but not limited to, evaluating the Debtors' capital structure, financing agreements, defaults under any financing agreement and forbearances;
- e. Assistance in the review of the Debtors' debtor in possession facility ("DIP Facility"), including but not limited to, evaluating liquidity needs and DIP sizing;
- f. Assistance with review of any tax issues associated with, but not limited to, preservation of net operating losses, refunds due to the Debtors, plans of reorganization, and asset sales;
- g. Assistance with the review of the Debtors' analysis of core and non-core business assets, the potential disposition or liquidation of the same, and assistance regarding the review and assessment of any sales process relating to same;
- h. Attendance at meetings and assistance in discussions with the Debtors, potential investors, banks, other secured lenders, the Committee and any other official committees organized in these chapter 11 proceedings, the

U.S. Trustee, other parties in interest and professionals hired by the same, as requested;

- i. Assistance in the review of financial related disclosures required by the Court, including the Schedules of Assets and Liabilities, the Statement of Financial Affairs and Monthly Operating Reports;
- j. Assistance with the review of the affirmation or rejection of various executory contracts and leases;
- k. Assistance with the review and identification of unencumbered assets and lien perfection analysis;
- l. Assistance with the review and evaluation of Debtor employee retention and compensation plans;
- m. Assistance in the review and/or preparation of information and analysis necessary for the preparation, proposal and confirmation of a plan and related disclosure statement in these Cases;
- n. Assistance in the evaluation, analysis and forensic investigation of avoidance actions, including fraudulent conveyances and preferential transfers and certain transactions between the Debtors and affiliated entities;
- o. Assistance in the prosecution of Committee responses/objections to the Debtors' motions, including attendance at depositions and provision of expert reports/testimony on case issues as required by the Committee;
- p. Render such other general business consulting or such other assistance as the Committee or its counsel may deem necessary that are consistent with the role of a financial advisor and not duplicative of services provided by other professionals in this proceeding;
- q. Assistance and support in the evaluation of restructuring, sale and liquidation alternatives.
- r. Provide valuations of the Debtors' total enterprise value, value of the Debtors on an entity by entity basis, or any of the Debtors' assets or businesses, as requested by the Committee or the Committee's counsel; and
- s. Assistance with the review and analysis of the Debtors' plugging and abandonment and decommissioning obligations.

### **Professional Compensation**

7. Bankruptcy Code section 328(a) provides, in relevant part, that a committee appointed under Bankruptcy Code section 1102 "with the court's approval, may employ or authorize the employment of a professional person under section 327 or 1103 of this title on any

reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis.” 11 U.S.C. § 328(a).

8. Subject to the Court’s approval, and in accordance with section 328(a) of the Bankruptcy Code, Conway MacKenzie proposes to render its services on an hourly fee basis according to its customary hourly rates in effect when the services are rendered. Conway MacKenzie professionals will be billed at their respective standard hourly rates with the following ranges:

<b><u>Professionals</u></b>	<b><u>Per Hour (USD)</u></b>
Senior Managing Directors	\$915 - \$1,285
Managing Directors	\$825 - \$1,070
Directors	\$640 - \$750
Senior Associates	\$490 - \$570
Analysts	\$350 - \$450

9. Conway MacKenzie periodically reviews and revises billing rates. If changes in applicable hourly rates are made, such changes will be noted on the invoice in the first time period in which the revised rates become effective.

10. Conway MacKenzie and the Committee expressly reserve their rights pursuant to section 1129(a)(9)(A) of the Bankruptcy Code for Conway MacKenzie to receive the full amount of compensation based on the foregoing notwithstanding the terms of any cash collateral order or secured financing order now or hereafter entered in these Cases providing for a limitation on the amount of fees payable to Conway MacKenzie for specified or general purposes.

11. Conway MacKenzie will be reimbursed for its reasonable and necessary out-of-pocket expenses (which shall be charged at cost) incurred in connection with this engagement, such as travel, lodging, duplicating, research, messenger and telephone charges. Conway

MacKenzie will charge for these expenses at rates consistent with charges made to other Conway MacKenzie clients, and subject to the guidelines of the United States Trustee.

12. Conway MacKenzie will maintain detailed records of fees and expenses incurred in connection with the rendering of the financial advisory services described above, in accordance with applicable rules and guidelines.

13. In light of the foregoing, the Committee believes that Conway MacKenzie's fee structure is reasonable, market-based, and designed to fairly compensate Conway MacKenzie for its work in these Cases and to cover fixed and routine overhead expenses.

**Disinterestedness; Lack of Adverse Interest**

14. To the best of the Committee's knowledge and based on the Young Declaration, the Committee submits that Conway MacKenzie is a "disinterested person" as that term is defined in Bankruptcy Code section 101(14). The Committee submits that Conway MacKenzie currently neither holds nor represents any interest adverse to the Debtors' estate or the Committee, except as set forth in the Young Declaration. Further, except as set forth in the Young Declaration, Conway MacKenzie has no connection with any Debtor, creditor, other party-in-interest, their respective attorneys and accountants, the U.S. Trustee, or any person employed in the office of the U.S. Trustee.

15. Conway MacKenzie will not, while employed by the Committee, represent any other entity having an adverse interest in connection with the Debtors' Cases.

16. The Committee has been informed that Conway MacKenzie is conducting an ongoing review of its files to ensure that no disqualifying circumstances arise. To the extent that

Conway MacKenzie discovers any connection with any interested party or enters into any new relationship with any interested party, Conway MacKenzie will promptly supplement its disclosure to the Court.

17. Fieldwood Energy LLC (“Fieldwood”) engaged Riveron Consulting, LLC (an affiliate of Conway MacKenzie, LLC) on April 15, 2019 to provide services related to cost allocations and implementation of a procurement system. The project ended on April 17, 2020 and no services have been performed since under this engagement letter. Fieldwood engaged Riveron Consulting, LLC on August 27, 2019 to provide accounting support. The project ended on March 31, 2020 and no services have been performed since under this engagement letter. Conway MacKenzie, LLC employees were not involved in these engagements. The Debtors did not pay Riveron Consulting, LLC any monies in the 90 days prior to the Debtors bankruptcy filing. Riveron Consulting, LLC terminated both engagements and wrote off and waived the associated pre-petition receivable of \$283,453.27. Riveron Consulting, LLC has an information barrier in place that prevents employees from Conway MacKenzie LLC to access information received and work-product prepared by Riveron Consulting, LLC. Conway MacKenzie, LLC will not use any Riveron Consulting, LLC employees.

18. The Committee submits that the employment of Conway MacKenzie on the terms and conditions set forth herein is in the best interests of the Debtors, their creditors, the Committee and all parties in interest.

### **Indemnification**

19. Conway MacKenzie requests that the Debtors will indemnify, hold harmless and pay the reasonable out-of-pocket legal or other expenses of Conway MacKenzie or any of its affiliates, partners, officers, directors, shareholders, agents, employees or controlling persons (collectively, the “Indemnified Persons”) under certain circumstances, as described more specifically in Exhibit C hereto (the “Indemnification Provisions”).

20. Financial advisors seek indemnification for a variety of reasons. The performance of Conway MacKenzie’s responsibilities requires the exercise of professional judgment regarding difficult business and financial issues, as to which many persons may have diverse financial interests. Conway MacKenzie intends to rely on the accuracy and completeness of the financial information and other information to be provided by the Debtors. The Committee notes that, in the event an Indemnified Person acts with gross negligence or willful misconduct, the estates will be entitled to recover amounts paid pursuant to the Indemnification Provisions.

21. The Committee and Conway MacKenzie believe that the proposed Indemnification Provisions are customary and reasonable for financial advisory engagements, both out-of-court and in chapter 11 proceedings. Similar indemnification arrangements have been approved and implemented in other large chapter 11 cases. *See, e.g., In re Dune Energy, Inc.*, No. 15-10336 (Bankr. W.D. Tex. May 18, 2015); *In re Pilgrim’s Pride Corp.*, No. 08- 45664 (Bankr. N.D. Tex. Jan. 9, 2009); *In re New Century TRS Holdings, Inc.*, No. 07- 10416 (Bankr. D. Del. Apr. 26, 2007); *In re Foamex Int’l, Inc.*, No. 05-12685 (PJW) (Bankr. D. Del. Oct. 15, 2005); *In re United Artists Theatre Co.*, 315 F.3d 217 (3d Cir. 2003); *In re Joan & David Halpern, Inc.*, 248 B.R. 43

(Bankr. S.D.N.Y. 2000), *aff'd sub nom. United States Tr. v. Newmark Retail Fin. Advisors LLC (In re Joan & David Halpern, Inc.)*, No. 00 Civ. 3601(JSM), 2000 WL 1800690 (S.D.N.Y. Dec. 6, 2000).

22. The proposed Indemnification Provisions are also consistent with the standards that normally govern trustees and committees in chapter 11 cases. *See Sherr v. Winkler*, 552 F.2d 1367, 1375 (10th Cir. 1977) (holding that a trustee is “(a) not liable, in any manner, for mistake in judgment where discretion is allowed, (b) liable personally only for acts determined to be willful and deliberate in violation of his duties and (c) liable, in his official capacity, for acts of negligence.”); *In re Chi. Pac. Corp.*, 773 F.2d 909, 915 (7th Cir. 1985) (bankruptcy trustee can be personally liable only “for a willful and deliberate violation of his fiduciary duties”); *Yadkin Valley Bank & Trust Co. v. McGee (In re Hutchinson)*, 5 F.3d 750, 752–53 (4th Cir. 1993) (collecting cases). Members of creditors’ committees are also protected from liability in the absence of gross negligence. *In re PWS Holding Corp.*, 228 F.3d 224, 246 (3d Cir. 2000). In fact, the Third Circuit has held that professionals employed by creditors’ committees similarly should be protected from liability in the absence of gross negligence. *Id.*

23. For these reasons, indemnification agreements are common market practice, both inside and outside of bankruptcy cases, and it is the standard practice for firms like Conway MacKenzie to obtain indemnities of the kind outlined above.

### **Request for Retroactive Relief**

24. In light of the myriad motions and dealings pending as of the date of the Committee’s selection of Conway MacKenzie, the Committee required the immediate assistance

of Conway MacKenzie commencing on August 20, 2020 (the date on which the Committee selected Conway MacKenzie as its financial advisor). The Committee, therefore, requests that the Committee's retention of Conway MacKenzie be effective retroactive to that date. *See In re Arkansas Co.*, 798 F.2d 645, 648 (3d Cir. 1986) ("bankruptcy courts have the power to authorize retroactive employment of counsel and other professionals under their broad equity power").

25. An order authorizing retroactive employment is required to ensure Conway MacKenzie is adequately compensated for the financial advisor services it has rendered. No parties in interest will be prejudiced by Conway MacKenzie's retroactive retention.

26. Courts routinely grant retroactive relief in this and other jurisdictions. *See, e.g., In re Energy XXI Ltd.*, Case No. 16-31928 (Bankr. S.D. Tex. June 7, 2016); *In re SandRidge Energy, Inc.*, Case No. 16-32488 (S.D. Tex. June 23, 2016); *In re Sherwin Alumina Co., LLC*, Case No. 16-20012 (Bankr. S.D. Tex. Feb. 2, 2016); *In re Allied Nev. Gold Corp.*, Case No. 15-10503 (Bankr. D. Del. Apr. 15, 2015); *In re GSE Envtl., Inc.*, Case No. 14-11126 (Bankr. D. Del. May 30, 2014); *In re Sorenson Commc'ns, Inc.*, Case No. 14-10454 (Bankr. D. Del. Mar. 25, 2014); *In re ATP Oil & Gas Corp.*, No. 12-36187 (Bankr. S.D. Tex. Dec. 21, 2012).

### **Basis for Relief**

27. By this Application, the Committee requests that the Court approve the compensation arrangements set forth herein pursuant to Bankruptcy Code sections 328(a), 330, and 1103(a). The compensation arrangements are highly beneficial to the Debtors' estate as they provide the proper inducement for Conway MacKenzie to act expeditiously and prudently with respect to the matters for which it will be employed. The compensation of Conway MacKenzie

shall be subject to the standard of review only as set forth in Bankruptcy Code section 328 and not subject to any other standard of review; *provided, however*, that the U.S. Trustee shall retain the right to review Conway MacKenzie's compensation based on the reasonableness standard provided for in Section 330 of the Bankruptcy Code.

28. The Committee has specifically selected Conway MacKenzie to serve as its financial advisor because of its extensive experience in advising debtors, individual creditors, creditors' committees, and other constituents in large Chapter 11 cases.

29. Pursuant to Bankruptcy Code section 328(a), the Committee may retain Conway MacKenzie on reasonable terms and conditions. The Committee submits that Conway MacKenzie's terms of compensation and expense reimbursement as set forth herein are reasonable.

#### **Notice**

30. Notice of this Application has been provided to all parties listed on the Debtors' Master Service List. The Committee submits that, in light of the nature of the relief requested, no other or further notice need be given.

#### **No Prior Request**

31. No prior request for the relief sought in this Application has been made to this or any other Court.

**WHEREFORE**, the Committee respectfully requests entry of an order, substantially in the form attached hereto as Exhibit A, granting the relief requested herein and granting such other relief as is just and proper.

adequate notice has been given and that no other or further notice is necessary; and after due deliberation thereon; and good and sufficient cause appearing, therefore, it is hereby:

ORDERED, that the Application is granted as set forth herein; and it is further

ORDERED, that, pursuant to Bankruptcy Code sections 328(a), 330, and 1103, the Committee is authorized to employ and retain Conway MacKenzie as financial advisor effective as of August 20, 2020, pursuant to and on the terms and conditions set forth in the Application, which is hereby approved in all respects, as modified by this Order. ORDERED, that the Indemnifications Provisions identified on Exhibit C to the Application are hereby approved; subject to the following:

(a) Conway MacKenzie shall not be entitled to indemnification, contribution or reimbursement pursuant to the Application, unless such services and the indemnification, contribution or reimbursement therefore are approved by the Court;

(b) The Debtors shall have no obligation to indemnify Conway MacKenzie, or provide contribution or reimbursement to Conway MacKenzie, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from Conway MacKenzie's gross negligence, willful misconduct, fraud, breach of fiduciary duty, if any, bad faith or self-dealing, or (ii) settled prior to a judicial determination as to Conway MacKenzie's gross negligence, willful misconduct, breach of fiduciary duty, bad faith or self-dealing but determined by this Court, after notice and a hearing to be a claim or expense for which Conway MacKenzie should not receive

indemnity, contribution or reimbursement under the terms of the Indemnification Provisions as modified by this Order; and

(c) If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these Cases (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing these chapter 11 cases, Conway MacKenzie believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Indemnification Provisions (as modified by this Application), including without limitation the advancement of defense costs, Conway MacKenzie must file an application therefore in this Court, and the Debtors may not pay any such amounts to Conway MacKenzie before the entry of an order by this Court approving the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by Conway MacKenzie for indemnification, contribution or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify Conway MacKenzie. All parties in interest shall retain the right to object to any demand by Conway MacKenzie for indemnification, contribution or reimbursement; and it is further

ORDERED that Conway MacKenzie shall file interim and final fee applications for allowance of its compensation and expenses subject to the jurisdiction and approval of this Court under section 328(a) of the Bankruptcy Code and in accordance with the Bankruptcy Rules, the Local Rules, the guidelines established by the Office of the U.S. Trustee, and any applicable orders of the Court. The fees payable to Conway MacKenzie shall be subject to review only pursuant to the standards set forth in section 328(a) of the Bankruptcy Code and shall not be subject to the standard of review set forth in section 330 of the Bankruptcy Code, provided, however, that the U.S. Trustee shall retain the right to object to the fees payable to Conway MacKenzie based on the reasonableness standard provided for in section 330 of the Bankruptcy Code. For billing purposes, Conway MacKenzie shall keep its time in one tenth (1/10) hour increments in accordance with the US Trustee Guidelines; and it is further

ORDERED that Conway MacKenzie shall provide ten-business-days' notice to the Debtors, the U.S. Trustee, and any official committee before any increases in the hourly rates set forth in the Application are implemented. The U.S. Trustee retains all rights to object to any rate increase on all grounds, including the reasonableness standard set forth in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code; and it is further

ORDERED that in the event that, during the pendency of these cases, Conway MacKenzie seeks reimbursement for any attorneys' fees and/or expenses, the invoices and supporting time records from such attorneys shall be included in Conway MacKenzie's fee applications and such invoices and time records shall be in compliance with the Local Rules, and shall be subject to the U.S. Trustee Guidelines and approval of the Court under the standards of Bankruptcy Code sections 330 and 331, without regard to whether such attorney has been retained under Bankruptcy Code section 327; provided, however, that Conway MacKenzie shall not seek reimbursement from the Debtors' estates for any fees incurred in defending any of Conway MacKenzie's fee applications in these bankruptcy cases; and it is further

ORDERED that notwithstanding anything in the Application to the contrary, to the extent that Conway MacKenzie uses the services of non-affiliated independent or third party contractors or subcontractors (the "Contractors") in these cases and Conway MacKenzie seeks to pass through the fees and/or costs of the Contractors to the Debtors, Conway MacKenzie shall (i) pass through the fees of such Contractors to the Debtors at the same rate that Conway MacKenzie pays the Contractors; and (ii) seek reimbursement for actual costs of the Contractors only. In addition,

Conway MacKenzie shall ensure that the Contractors perform the conflicts checks and file such disclosures as required by Bankruptcy Code and Bankruptcy Rules; and it is further

If any new relevant facts or relationships are discovered or arise, Conway MacKenzie will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by Federal Rules of Bankruptcy Procedure 2014(a); and it is further

ORDERED that to the extent there is inconsistency between the terms of the Application, the Young Declaration and this Order, the terms of this Order shall govern; and it is further

ORDERED that Conway Mackenzie shall use its best efforts, and will coordinate with the Debtors and its other retained professionals, not to duplicate any of the services provided to the Debtors by any of its other retained professionals, and it is further

ORDERED, that the Committee is authorized and empowered to take such steps and perform such acts as may be necessary to implement and effectuate the terms of this Order; and it is further

ORDERED, that to the extent the Committee wishes to expand the scope of Conway MacKenzie's services beyond those services set forth in the Application, or this Order, the Committee shall be required to seek further approval from this Court. The Committee shall file notice of any proposed additional services (the Proposed Additional Services) with the Court and serve such notice on the U.S. Trustee, any official committee appointed in these chapter 11 cases, and any party requesting notice under Bankruptcy Rule 2002. If no such party files an objection

within 21 days of the Committee filing such notice, the Proposed Additional Services may be approved by the Court by further order without further notice or hearing; and it is further

ORDERED, that the Court shall retain jurisdiction to hear and determine all matters arising from the implementation of this Order.

ORDERED, that Conway Mackenzie will review its files periodically during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Conway Mackenzie will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by FED. 2. Conway MacKenzie has been asked to serve as financial advisor to the Committee appointed in the Cases of the above-captioned debtors in possession (the "Debtors").

3. Conway MacKenzie is a restructuring advisory firm specializing in corporate restructurings, operations improvement, dispute resolution and valuation. 4. In light of the size and complexity of this chapter 11 Cases, the Committee requires the services of a seasoned and experienced financial advisor familiar with the industry to, among other things, assist the Committee in: (i) understanding the Debtors' businesses and operations; (ii) executing its fiduciary duties; and (iii) maximizing the value of the Debtors' estate. Therefore, the Committee respectfully submits that the services of Conway MacKenzie are necessary and appropriate to ensure that the Committee's interests are protected.

5. The Committee has selected Conway MacKenzie as its financial advisor based upon, among other things: (a) the Committee's need to retain a financial advisory firm to provide advice with respect to the Debtors' restructuring activities; (b) Conway MacKenzie's senior professionals' extensive experience and excellent reputation in providing financial advisory services in chapter 11 cases such as these Cases; and (c) Conway MacKenzie's knowledge of the industry as well as the Debtors' businesses, operations, and capital structure. Furthermore, the

Committee believes that Conway MacKenzie is well-qualified to provide its services in a cost-effective, efficient, and timely manner. The Committee submits that the employment and retention of Conway MacKenzie would be in the best interests of the Debtors, their estate and their creditors. Conway MacKenzie has agreed to provide financial advisory services to the Committee in the Debtors' chapter 11 Cases, pursuant to the terms and conditions set forth in the Application.

### **Professional Compensation**

Subject to the Court's approval, and in accordance with section 328(a), 330, and 1103 of the Bankruptcy Code, Conway MacKenzie proposes to render its services on an hourly fee basis according to its customary hourly rates in effect when the services are rendered. Conway MacKenzie professionals will be billed at their respective standard hourly rates with the following ranges

<b><u>Professionals</u></b>	<b><u>Per Hour (USD)</u></b>
Senior Managing Directors	\$915 - \$1,285
Managing Directors	\$825 - \$1,070
Directors	\$640 - \$750
Senior Associates	\$490 - \$570
Analysts	\$350 - \$450

6. Conway MacKenzie periodically reviews and revises billing rates. If changes in applicable hourly rates are made, such changes will be noted on the invoice in the first time period in which the revised rates become effective.

7. Conway MacKenzie will be reimbursed for its reasonable and necessary out-of-pocket expenses (which shall be charged at cost) incurred in connection with this engagement, such as travel, lodging, duplicating, research, messenger and telephone charges. Conway

MacKenzie shall seek reimbursement for these expenses at cost consistent with Conway MacKenzie business practices, and subject to the guidelines of the United States Trustee.

8. Conway MacKenzie will maintain detailed records of fees and expenses incurred in connection with the rendering of the services described above, in accordance with applicable rules and guidelines.

9. The Committee believes that the fee structure is reasonable, market-based, and designed to fairly compensate Conway MacKenzie for its work in these Chapter 11 Cases and to cover fixed and routine overhead expenses.

10. According to Conway MacKenzie's books and records, during the ninety-day period prior to the Debtors' Petition Date, Conway MacKenzie performed no professional services or incurred any reimbursable expenses on behalf of the Debtors.

11. To the best of my knowledge, (a) no commitments have been made or received by Conway MacKenzie with respect to compensation or payment in connection with these cases other than in accordance with the provisions of the Bankruptcy Code, and (b) Conway MacKenzie has no agreement with any other entity to share with such entity any compensation received by Conway MacKenzie in connection with these Chapter 11 Cases.

### **Disinterestedness**

12. Conway MacKenzie, (together with its affiliate, Conway MacKenzie Management Services, LLC and each of their respective subsidiaries, "the Firm"), utilize certain procedures ("Firm Procedures") to determine the Firm's relationships, if any, to parties that may have a

connection to the Debtors. In implementing the Firm Procedures, the following actions were taken to identify parties that may have connections to the Debtors, and the Firm's relationship with such parties:

(a) Conway MacKenzie requested and obtained from the Debtors extensive lists of interested parties and significant creditors (the "Potential Parties-in-Interest"). The list of Potential Parties-in-Interest that Conway MacKenzie reviewed is annexed hereto as **Schedule 1**. The Potential Parties-in-Interest reviewed include, among others, the Debtors, affiliated entities/shareholders, joint ventures and joint venture partners, current and former officers, directors, and managers for the past four years, RBL lenders, hedging counterparties, the top 30 largest unsecured creditors of the Debtors, the largest royalty interest owners and working interest owners of the Debtors, top 50 vendors, largest customers, major contract counterparties, insurers, beneficiaries of guarantees, and utilities. Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at Conway MacKenzie and are based on information provided by them.

(b) Conway MacKenzie then compared the names of each of the Potential Parties-in-Interest to the names in its master electronic database of the Firm's current and recent clients, vendors and referral sources (the "Client Database"). The Client Database generally includes the name of each current and former client of the Firm.

(c) An email was issued to all Firm professionals requesting disclosure of information regarding: (i) any known personal connections between the respondent and/or the Firm on the one hand, and either the Potential Parties-in-Interest or the Debtors, on the other hand; (ii) any known connections or representations by the respondent and/or the Firm of any of the Potential Parties-in-Interest in matters relating to the Debtors; and (iii) any other conflict or reason why Conway MacKenzie may be unable to represent the Committee.

(d) Known connections between former or recent clients of the Firm and the Potential Parties-in-Interest were compiled for purposes of preparing this Declaration. These connections are listed in **Schedule 2** annexed hereto.

13. Note that a non-retained affiliate of Conway MacKenzie, Conway MacKenzie Investment Advisors, LLC ("CMIA") has third-party assets under management. CMIA is an Exempt Reporting Adviser pursuant to the private fund adviser exemption of the Dodd-Frank Wall Street Reform and Consumer Protection Act. After reviewing the list of Potential Parties in Interest in these Cases against each of the names of the assets under management, I believe to the best of

my knowledge that there are no connections between the assets under management and the list of interested parties.

14. On December 20, 2019, the Firm was purchased by a subsidiary of Riveron Parent Holdings, LP (“Holdco”, and collectively with its subsidiaries other than the Firm, “Riveron”). Holdco is controlled by an investment vehicle that is majority owned by H.I.G. Capital Partners V, L.P. and H.I.G. Growth Buyouts & Equity Fund III, L.P. (“Fund V and Fund III”), investment funds managed by H.I.G. Capital, LLC (together with its affiliates other than Riveron and the Firm “H.I.G.”). Riveron is a business advisory firm specializing in providing accounting, finance, and operations services. Upon completion of Riveron’s acquisition of the Firm, Riveron and the Firm commenced operations as a combined business. As a result of the transaction, the Firm, Riveron, and H.I.G. are affiliates under applicable law.

15. In addition to the Firm Procedures set forth above, in connection with the combination of the Firm and Riveron, Conway MacKenzie has conducted a review of Riveron’s contacts with the Debtors and the Potential Parties in Interest to determine Riveron’s connections, if any to the Potential Parties in Interest. The following actions were taken to identify parties that may have connections to the Debtors, and Riveron’s relationship with such parties (the “Riveron Procedures”).

(a) Conway MacKenzie compared the names of each of the Potential Parties-in-Interest to the names in Riveron’s master electronic database of Riveron’s current and recent clients, vendors and referral sources (the “Riveron Database”). The Riveron Database generally includes the name of each current and former client of Riveron.

(b) An email was issued to all Riveron professionals requesting disclosure of information regarding: (i) any known personal connections between the respondent and/or

Riveron on the one hand, and either the Potential Parties-in-Interest or the Debtors, on the other hand; (ii) any known connections or representation by the respondent and/or Riveron of any of the Potential Parties-in-Interest in matters relating to the Debtors; and (iii) any other conflict or reason why Conway MacKenzie may be unable to represent the Committee.

(c) Known connections between former or recent clients of Riveron and the Potential Parties-in-Interest were compiled for purposes of preparing this Declaration. These connections are listed in **Schedule 3** annexed hereto.

16. On April 15, 2019, Fieldwood Energy LLC (“Fieldwood”) engaged Riveron Consulting, LLC (an affiliate of Conway MacKenzie, LLC) to provide services related to cost allocations and implementation of a procurement system. The project ended on April 17, 2020 and no services have been performed since under this engagement letter. On August 27, 2019, Fieldwood engaged Riveron Consulting, LLC to provide accounting support. The project ended on March 31, 2020 and no services have been performed since under this engagement letter. Conway MacKenzie, LLC employees were not involved in these engagements. The Debtors did not pay Riveron Consulting, LLC any monies in the 90 days prior to the Debtors’ bankruptcy filing. Riveron Consulting, LLC terminated both engagements and wrote off and waived the associated pre-petition receivable of \$283,453.27. Riveron Consulting, LLC has an information barrier in place that prevents employees from Conway MacKenzie LLC to access information received and work-product prepared by Riveron Consulting, LLC. Conway MacKenzie, LLC will not use any Riveron Consulting, LLC employees.

17. The following additional disclosures regarding the Firm’s review process with respect to H.I.G. is made out of an abundance of caution in an effort to comply with the Bankruptcy

Code and Bankruptcy Rules. Note that H.I.G. is not on the list of potential parties in interest in this Case as of the date hereof, except to the extent disclosed herein.

(a) H.I.G. is a private equity and alternative assets investment firm with over \$34 billion of equity capital under management. The firm operates a network of various investment funds that invest in private equity, growth equity, credit/special situations, primary lending, syndicated credit, and real estate. The company provides both debt and equity capital to small and mid-sized companies. Each of H.I.G.'s various investment funds (collectively, the "Funds") are managed independently from each other and requires its own approval process for investment decisions. Those funds listed on Schedule 4, attached hereto, are funds specializing in private equity investments (collectively, the "PE Funds") each of which are owned by a diverse group of limited partners, which limited partners exert no control over Fund V and Fund III's investment decisions, and a general partner affiliated with H.I.G. All of Fund V and Fund III's investment professionals involved with the Firm are dedicated solely to Fund V and Fund III and are not involved in the management or investment decision-making of the credit and lending, special situations, real estate, bio health, or international funds (which comprise all of the Funds other than the PE Funds and are hereinafter referred to as the "Other H.I.G. Funds"), although, from time to time, one or more PE Funds investment professionals may receive information on various investments of the other PE Funds.

(b) Designees of Fund V and Fund III are members of the Board of Managers of the general partner of Holdco ("Holdco Board Designees"). Holdco wholly owns Riveron Intermediate Holdings, Inc. ("Intermediate Co"), which wholly owns Riveron Acquisition Holdings, Inc. ("Acquisition Co"), which wholly owns the Firm. No H.I.G. designees are Board members of the Firm, Intermediate Co, or Acquisition Co. Further, the Firm and Fund V and Fund III have the following precautionary restrictions in place designed to prevent confidential client information, including the names of clients reasonably likely to be involved in reorganization proceedings under the Bankruptcy Code, from being shared with H.I.G. or their Holdco Board Designees (collectively, the "Barrier"): (i) the Firm will not furnish any material nonpublic information about the Debtors or the Committee, including the Committee's engagement of the Firm for a potential in-court restructuring, to Fund V and Fund III, the Holdco Board Designees, or any H.I.G. entity or personnel; (ii) no Fund V and Fund III personnel nor any other H.I.G. personnel work on the Firm client matters or have access to Firm client information, client files, or client personnel; (iii) Riveron personnel do not have access to the Committee's client information or client files; (iv) all H.I.G. personnel, Riveron personnel, and Firm personnel have been or will be provided a written description of this Barrier and the importance thereof; (v) no Fund V and Fund III personnel nor any other H.I.G. personnel work in the Firm's offices or Riveron's offices; (vi) other than the Holdco Board Designees, the Firm and Riveron operate independently from H.I.G., including that they do not share any employees, officers, or other management with H.I.G., have separate offices in separate buildings, have separate email addresses, and have separate IT systems;

and (vii) no Firm or Riveron executive or employee is a director, officer, or employee of H.I.G. Capital, LLC or the Funds (or vice versa other than the Holdco Board Designees).

(c) Conway MacKenzie has searched the names of the Debtors and the names of the potential parties in interest provided by the Debtors against: (i) the names of Fund V and Fund III and their respective investments as provided by HIG; (ii) the names of H.I.G.'s other PE Funds; and (iii) the names of the Other H.I.G. Funds. Conway MacKenzie also has searched the names of the Debtors against the publicly-known investments of the other PE Funds as set forth in the list most recently provided by H.I.G. Fund V and Fund III make independent investment decisions from the other PE Funds and the Other H.I.G. Funds. Further, H.I.G. maintains an internal information barrier between its PE Funds and the Other H.I.G. Funds. Accordingly, the conflicts search does not include Other H.I.G. Funds' investments, nor does it include any portfolio companies of any of the PE Funds (other than those of Fund V and Fund III and the other PE Funds as described above). Based solely on the foregoing search, Conway MacKenzie believes, to the best of its knowledge, that there are no material connections that require disclosure. To the extent Conway MacKenzie learns of any material connections between the funds or investments included in the above described conflicts search and the Debtors, Conway MacKenzie will promptly file a supplemental disclosure.

(d) Because of the information Barrier described above, the sheer size of the investment portfolios of the PE Funds, and any applicable securities laws, prior to the transaction date Conway MacKenzie was unable to further investigate any potential or actual connections between the PE Funds, the Debtors, and any potential parties in interest in these Cases. Conway MacKenzie will promptly request H.I.G.'s internal compliance department provide the names of the PE Funds' respective investments that were not previously searched pre-transaction and search the names of the Debtors against those investments. To the extent Conway MacKenzie learns of any material connections involving the Debtors and such investments after H.I.G. Compliance has searched such names, Conway MacKenzie will promptly file a supplemental disclosure.

(e) Other than as specifically noted herein as to the PE Funds, one or more of the other Funds may, in the ordinary course and from time to time, hold, control and/or manage loans to, or investments in, the Debtors and/or potential parties in interest and/or may trade debt and/or equity securities in the Debtors and/or potential parties in interest. In addition, other than as specifically noted herein as to the PE Funds, the Funds also may have had, currently have, or may in the future have business relationships or other connections with the Debtors or other potential parties in interest. Other than as specifically noted herein as to the PE Funds, Conway MacKenzie has not undertaken to determine the existence, nature, and/or full scope of any business relationships or other connections that any H.I.G. entity may have with the Debtors and their affiliates or the potential parties in interest in these Cases.

(f) In addition, Conway MacKenzie may have had, may currently have or may in the future have business relationships unrelated to the Debtors with one or more H.I.G. entities including, among others, portfolio companies of H.I.G.

18. The list of Potential Parties-in-Interest is expected to be updated during the Cases. Conway MacKenzie continues to review the relationships the Firm, Riveron and their professionals may have with potentially interested parties and to determine whether any relationships other than those set forth herein exist. As may be necessary, Conway MacKenzie will supplement this Declaration if it becomes aware of a relationship that may adversely affect Conway MacKenzie's retention in the Cases or discovers additional parties-in-interest through the filing of statements of financial affairs or statements under Bankruptcy Rule 2019. Conway MacKenzie will update this disclosure if it is advised of any trading of claims against or interests in the Debtors that may relate to Conway MacKenzie's retention or otherwise requires such disclosure.

19. In reviewing its records and the relationships of its professionals, neither Conway MacKenzie nor Riveron sought information as to whether any Conway MacKenzie or Riveron professional or member of his/her immediate family: (a) indirectly owns, through a public mutual fund or through partnerships in which certain Conway MacKenzie or Riveron professionals have invested but as to which such professionals have no control over or knowledge of investment decisions, securities of the Debtors or any other party in interest; or (b) has engaged in any ordinary course consumer transaction with any party in interest. If any such relationship does exist, I do not believe it would impact Conway MacKenzie's disinterestedness or otherwise give rise to a finding that Conway MacKenzie holds or represents an interest adverse to the Debtors' estates.

20. As a result of the Firm Procedures, the Riveron Procedures and the other review disclosed herein, I have thus far ascertained that, except as may be set forth herein, upon information and belief, Conway MacKenzie:

(a) is not a creditor of the Debtors (including by reason of unpaid fees for prepetition services), an equity security holder of the Debtors (except certain Firm employees may own de minimis amounts representing not more than 0.01% of the equity interests in the related entity), or an “insider” of the Debtors, as that term is defined by Section 101(31) of the Bankruptcy Code;

(b) is not, and has not been, within two years before the Petition Date, a director, officer, or employee of the Debtors’; and

(c) does not have an interest materially adverse to the interests of the Debtors’ estates, or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

21. As can be expected with respect to any national professional services firm such as Conway MacKenzie, the Firm provides services to many clients with interests in the Debtors’ chapter 11 Cases. To the best of my knowledge, except as indicated below, the Firm’s services for such clients do not relate to the Debtors’ chapter 11 Cases. In addition, Conway MacKenzie appears in numerous cases, proceedings, and transactions that involve many different lenders, creditors and other entities that may be parties in interest in these chapter 11 Cases. In those matters, Conway MacKenzie may have represented borrowers, debtors, or other related parties to the parties in interest in this chapter 11 Case. In addition, certain of the lenders, creditors and other parties in interest may have referred work to Conway MacKenzie or Conway MacKenzie may have referred work to such parties in interest. Based on Conway MacKenzie’s current knowledge of the lenders involved, and to the best of my knowledge, none of these relationships create

interests materially adverse to the Debtors in matters upon which Conway MacKenzie is to be employed, and none are in connection with these Cases.

22. The Firm or Riveron may perform services for their clients that relate to the Debtors merely because such clients may be creditors or counterparties to transactions with the Debtors and whose assets and liabilities may thus be affected by the Debtors' status. The disclosures set forth herein do not include specific identification of such services. If such clients of the Firm or Riveron are parties-in-interest in these Cases, the exhibits hereto indicate that they are also clients of the Firm or Riveron, respectively. Should additional significant relationships with parties-in-interest become known to Conway MacKenzie, a supplemental declaration will be filed by Conway MacKenzie with the Court.

23. Further, as part of its diverse practice, the Firm appears in cases and proceedings and participates in transactions that involve many different professionals, attorneys, accountants, and financial consultants, who represent claimants and parties-in-interest in the Debtors' chapter 11 Case. Further, the Firm has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Debtors in matters upon which Conway MacKenzie is to be employed, and none are in connection with this Case.

24. To the best of my knowledge, no employee of the Firm or Riveron is a relative of or has been connected with the U.S. Trustee in this district or its employees.

25. Accordingly, to the best of my knowledge, Conway MacKenzie is a “disinterested person” as that term is defined by section 101(14) of the Bankruptcy Code, in that Conway MacKenzie: (a) is not a creditor, equity security holder, or insider of the Debtors; (b) was not, within two (2) years before the date of filing of the Debtors’ chapter 11 petitions, a director, officer, or employee of the Debtors; and (c) does not have an interest materially adverse to the interest of the Debtors’ estates or of any class of creditors or equity security holders.

26. If any new material relevant facts or relationships are discovered or arise, Conway MacKenzie will promptly file a supplemental declaration.

27. On the basis of the above, I believe Conway MacKenzie to be a “disinterested person” within the meaning of Bankruptcy Code section 101(14).

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

## **EXHIBIT C**

### **(Indemnification Provisions)**

In the event that Conway MacKenzie, LLC. ("Conway MacKenzie") or any of its affiliates, partners, officers, directors, shareholders, agents, employees or controlling persons (collectively, the "Indemnified Persons" and each, an "Indemnified Person") becomes involved in any capacity in any claim, action, proceeding or investigation (collectively, "Actions") brought by or against any person, including equity holders of the Debtor, in connection with or as a result of Conway MacKenzie's engagement as financial advisor to the Official Unsecured Creditors' Committee (the "Committee"), the Debtors periodically will advance to the Indemnified Persons amounts necessary to pay their reasonable out-of-pocket legal and other expenses (including the cost of any investigation and preparation) incurred in connection therewith; provided, however, that if it is finally found (in a non-appealable judgment) by a court of competent jurisdiction that any loss, claim, judgment, damage or liability of an Indemnified Person has resulted primarily from the gross negligence or willful misconduct of such Indemnified Person in performing the services on behalf of the Committee, such Indemnified Person shall repay such portion of the advanced amounts that is attributable to expenses incurred in relation to the act or omission of such Indemnified Person that is the subject of such non-appealable judgment. The Debtors also will indemnify and hold the Indemnified Persons harmless from and against any and all losses, claims, judgments, damages or liabilities to which such Indemnified Person may become subject under any applicable law, or otherwise, that is related to, arising out of, or in connection with Conway MacKenzie's engagement on behalf of the Committee and without regard to the exclusive or contributory negligence of any Indemnified Person except to the extent that it is finally found (in a non-appealable judgment) that any such loss, claim, damage or liability resulted primarily from the gross negligence, willful misconduct or bad faith of the Indemnified Persons in performing the services on behalf of the Committee.

Upon receipt by an Indemnified Person of actual notice of an Action against such Indemnified Person with respect to which indemnity may be sought, such Indemnified Person shall promptly notify the Debtors in writing; provided that failure to so notify the Debtors shall not relieve the Debtors from any liability that the Debtors may have on account of this indemnity or otherwise, except to the extent the Debtors shall have been materially prejudiced by such failure. The Debtors shall, if requested by the Indemnified Person, assume the defense of any such Action, including the employment of counsel reasonably satisfactory to the Indemnified Person. An Indemnified Person may retain separate counsel to represent it in the defense of any Action, which shall be at the expense of the Debtors if (i) the Indemnified Party does not request the Debtors to assume the defense of any such Action or the Debtors does not assume the defense of the Action within a reasonable period of time after being requested to assume the defense of the Action, or (ii) the Indemnified Person is advised by counsel in writing that there is an actual or potential conflict in the Debtors' and the Indemnified Person's respective interests or additional defenses are available to the Indemnified Person, which makes representation by the same counsel inappropriate; provided that in no event shall the Debtors be obligated to pay expenses for more than one counsel in any one jurisdiction for all Indemnified Persons in connection with any Action.

No Indemnified Person shall have any liability (whether direct or indirect, in contract or tort or otherwise) to the Debtors or its equity holders or creditors related to, arising out of, or in connection with, advice or services rendered or to be rendered by any Indemnified Person on behalf of the Committee, the transactions contemplated in this Case or any Indemnified Person's actions or inactions in connection with any such advice, services or transactions except to the extent any loss, claim, judgment, damage or liability is finally found (in a non-appealable judgment) by a court of competent jurisdiction to have resulted from the Indemnified Person's gross negligence or willful misconduct.

If for any reason, the foregoing indemnification is unavailable to an Indemnified Person or insufficient to hold it harmless, then the Debtors shall contribute to the amount paid or payable by the Indemnified Person as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect (i) the relative economic benefits to the Debtors and its equity holders, on the one hand, and to the Indemnified Persons, on the other hand, of the matters covered by this engagement; or (ii) if the allocation provided by the immediately preceding clause is not permitted by applicable law, not only such relative economic benefits but also the relative fault of the Debtors, on the one hand, and the Indemnified Persons, on the other hand, with respect to such loss, claim, damage or liability and any other relevant equitable considerations. For purposes of this paragraph, the relative economic benefits to the Indemnified Persons of the matters contemplated on behalf of the Committee, shall be deemed to be the fees paid or to be paid to Conway MacKenzie; provided, however, that, to the extent permitted by applicable law, in no event shall the Indemnified Persons be required to contribute an aggregate amount in excess of the aggregate fees actually paid to Conway MacKenzie.

The reimbursement, indemnity and contribution obligations of the Debtors in this Exhibit C shall be in addition to any liability which the Debtors may otherwise have, shall extend upon the same terms and conditions to any affiliate of the Indemnified Persons, and shall be binding upon and inure to the benefit of any successors, heirs and personal representatives of the Debtors, the Indemnified Persons, any such affiliate and any such person.

The Debtors shall not be required to indemnify an Indemnified Person for any amount paid or payable by the Indemnified Person in the settlement of any action, proceeding or investigation without the written consent of the Debtors, which consent shall not be unreasonably withheld.

ORDERED, that, pursuant to Bankruptcy Code sections 328(a), 330, and 1103, the Committee is authorized to employ and retain Conway MacKenzie as financial advisor effective as of August 20, 2020, pursuant to and on the terms and conditions set forth in the Application, which is hereby approved in all respects, as modified by this Order. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by Conway MacKenzie for indemnification, contribution or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify Conway MacKenzie.
